RE: An event for YOU!

We at HHUMC believe God is calling us to minister to parents with children in more specific ways. We want to support and encourage families as they grow together.

Whether you know it or not, you are the primary influence on your children in the area of faith formation. If love for God and spiritual practices are a part of your own life, young children will likely imitate you. And it's never too late to point your family to God! This is where we, the church, want to support you as parents in several ways:

- Providing quality experiences for your children where love of God and neighbor is modeled, and a love relationship with Jesus is nurtured.
- Providing opportunities for you as a family to have fun with other families
- Providing opportunity for you to gather on a regular basis with other parents to nurture your own spiritual life

As an introduction to this new emphasis on families, we have planned an event to which you are invited! Please see the enclosed invitation!

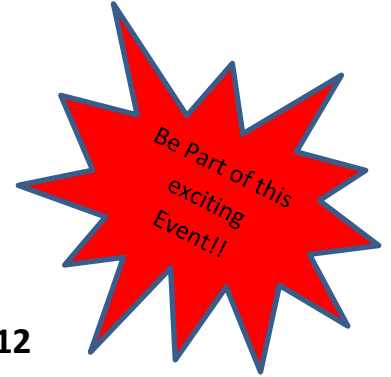

Following our meal and some "holy hilarity," children and youth will have GAME TIME while we introduce you to the concept of **CONNECTION GROUPS**. These will be groups where you can gather with others with whom you have something in common. These groups will be places where participants can encourage and support one another in this journey of life, places where you can connect with one another and with God in a relaxed environment. Once a group is formed, it will decide when to meet and how often. Groups will receive help from church leaders and staff to help them "get going."

Whether or not you are interested in a **CONNECTION GROUP**, we hope and pray that you will be a part of this Sunday afternoon event, **CONNECT 4!** No obligation, just fun and food!!

In Christ,

Rev. Judi Mayne
